Letter of Recommendation

To Whom It May Concern,

It is my pleasure to write this letter of recommendation for **Two's A Vibe Design Co., formerly Living Maui Designs**, founded by **Lisa Brill and Karen Legette**.

I have had the privilege of knowing Lisa since **2016**, when I had the opportunity to help her purchase her first condominium on Maui as her real estate agent. Over the years, our professional relationship has continued to grow. As both her real estate broker and property manager, I have had the pleasure of assisting Lisa with purchasing, selling, and managing her Maui vacation rentals. When I founded my property management business, Lisa became my very first client, placing her trust in me to manage her vacation rental properties. Today, I continue to manage two of her Maui vacation rental condominiums.

Over the years, I have watched Lisa and Karen build an outstanding reputation in the vacation rental and interior design industry. Beginning as **Living Maui Designs** and continuing today as **Two's A Vibe Design Co.**, they have consistently transformed vacation properties into beautiful, welcoming, and highly functional spaces that appeal to both homeowners and guests.

Our professional relationship has extended well beyond property management. I have confidently referred Lisa and Karen to several of my own clients for interior design, remodeling, and vacation rental furnishing projects. Without exception, they have exceeded expectations by delivering exceptional designs, outstanding communication, and an unwavering commitment to quality and customer service.

I also had the privilege of seeing two of Lisa's Maui vacation rental condominiums featured on **HGTV**, where we were both recognized as part of showcasing these exceptional properties. Their ability to create beautiful, inviting spaces that photograph well, function exceptionally, and provide memorable guest experiences is one of the many reasons I continue to recommend them with confidence.

What sets Lisa and Karen apart is their understanding of the vacation rental industry. They know that great design is about much more than aesthetics. They create homes that are warm, comfortable, durable, and thoughtfully designed to enhance the guest experience while maximizing the value of an owner's investment. Their knowledge of the short-term rental market is evident in every project they complete.

Beyond their design expertise, Lisa and Karen are people of exceptional character. They are honest, dependable, organized, hardworking, and genuinely care about every client they serve. Their professionalism, integrity, and attention to detail have earned my trust and respect over the past decade.

I have never hesitated to recommend **Two's A Vibe Design Co.** to my clients, and I will continue to do so without reservation. Whether someone is furnishing a vacation rental, remodeling a home, or seeking professional interior design services, I know they will receive exceptional results and an outstanding experience.

I am proud to offer my highest recommendation for **Two's A Vibe Design Co.** and look forward to watching Lisa and Karen continue to grow and succeed for many years to come.
